

## WINTER PICKLEBALL LEAGUE 2026

### Sign ups for the 2026 Winter Pickleball League are now open!

Winter League will run January 15 to March 19 with a 6 pm warm-up time and 6:30 pm start time for ten sessions. For a change of pace we will be using a **Ladder League** format. The sign-up deadline is Friday, January 2nd.

The way this format works is you do not need a partner. The first 40 people to sign up will be ranked by ability onto 10 rungs of the ladder. 10 being the higher skilled players and 1 being lower skilled players. Each session will involve a round robin where each player on the rung will play with all the other players on the same rung. The top two point scorers will move up. The lower two point scorers will move down. All players who sign up after the 40 player roster is filled will be added to the substitute list.

Tim Kenney will be coordinating league play for this session. Please email him at [timkenney0067@gmail.com](mailto:timkenney0067@gmail.com) if you have questions or would like to sign up for Winter League.

More details about how the league works will be sent out along with the roster of players on the initial ladder and the substitute list.

This should be a great opportunity to play with a wide variety of partners at a competitive level for every participant. Hope you decide to come out and participate!
